

Board Candidate: Buddy Lane

Fairbanks, Alaska

My name is Buddy Lane. I have lived in the Fairbanks area since 1971.

I retired from the North Pole Fire Department as Fire Chief in 2016. In my 40 years with the fire department I worked with and supervised many volunteers. I understand the value volunteers are to organizations like Ice Alaska. I spent my last 15 years at the fire department as Fire Chief writing and managing budgets and pursuing grants.

For many years I have participated as a visitor to the Ice Park. I have enjoyed working with Ice Alaska the last two years at the Tanana Valley State Fair.

I believe my experience and desire to see Ice Alaska succeed will be an asset in assisting Ice Alaska to grow.
